### **Note:**

Our Member Program is a group of members who are dedicated to the success of others by *paying it forward*. Some responsibilities associated with membership may include organizing and producing events with TWC; attending compulsory meetings; playing key roles in development and/or education events; and representing The Wedding Connectors.

The Members are encouraged to refer business to our vendors on a "best fit" basis. Members are also encouraged to refer other wedding professionals they feel would be a good fit for The Wedding Connectors in terms of professionalism, customer service, and quality of work.

TWC may, at its discretion, limit the number of Memberships per category to ensure no one category becomes overly saturated within the group..

*\*Yearly fees are subject to change at Membership Renewal.*

*\*\*Some events may require a small fee.*

*\*\*\*TWC Special Events carry an associated Event Assessment Fee and vary by event.*

*We look forward to helping you grow your business and to getting to know you!*
